

# A DECADE OF CHANGE

Thanks to you, Styles 4 Kidz celebrated 10 years of Hair Care With Heart at the Fall Gala.

Styles 4 Kidz gave me a sense of community. Growing up in a predominantly white area made it difficult for me to feel like I fit in with everyone else. It wasn't until I went to Styles 4 Kidz that I started accepting and loving my hair and myself. —Nylah Madden

Together, we raised over \$34K at the Gala.

Over the last decade, your support has changed the lives of more than 1500 families, just like Nylah's, who receive hair-care services and training through Styles 4 Kidz.

Dedicated stylists and instructors embrace every client, creating community, celebrating textured hair, and affirming cultural connection.

The need for this life-affirming hair care is growing, and to meet demand, we are developing new programs to serve 2000 kids this year. When you give today, you support Hair Care With Heart by funding hands-on workshops, online training, and in-person services.
